Your Petitioner hereby disclaims, except as provided below, the terminal part of the statutory period of any patent granted on the application identified above that would extend beyond expiration of the full statutory term of U. Your Petitioner hereby agrees that any patent so granted on the application serial no. 09/680,156 identified above shall be enforceable only for and during such period that the legal title to said patent shall be the same as the legal title to U. The undersigned, whose title is supplied below, is empowered to act and authorized to execute this document on behalf of the owner.

I hereby declare that all statements made herein of my own knowledge are true, and that all statements made on information and belief are believed to be true; and further, that these statements are made with the knowledge that willful false statements, and the like so made, are punishable by fine or imprisonment, or both, under Section 1001, Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.
